Form VI Visit to France

PGL was amazing. It was educational and extravagant. Why? Because of all the many museums, sights and experiences. We did five incredible activities including: abseiling (which frightened the life out of me!), trapeze - another terrifying yet superb activity, problem solving, archery and swimming. We also visited The Musee D'Orsay and the Chateau Fontainebleau. Both of them were amazing. I had a fantastic time.

Isobel Dykstra

One very exciting lunchtime we went to a small market in order to shop for our own lunch. Using the best of our French conversational skills, we ordered our ingredients. After a while of preparing the meal I went to tear the lettuce. I was shocked to find a rather large and gruesome slug that was lurking in the leaves. Very fresh!

Maddie Dunbar

If had to choose one word to describe PGL, it would be amazing! It was a fantastic experience and I had a really fun time. Not only did we get to do extremely challenging activities such as abseiling and trapezing, we also went to the market and museums (with our feet firmly on the ground). One of my favourite activities was when we went to the market (which was loud and busy). We were in groups of 5 and had a budget of 15 Euros to buy a nutritious yet yummy meal to eat for lunch. The final result was judged on presentation and nutrition. It was by far the best school trip ever!

Form IV Drawing and Dance Workshop

This week, Form IV enjoyed a stimulating life drawing and dance workshop with dancer, Claire Greshoff, and Mrs. Wilford. The girls were able to develop their observational drawing skills and to learn more about the human form and how it moves. Cecily Rigg writes- "I think it was really exciting because it made drawing a lot easier and I loved using colours and charcoal. The dancing was great fun because Claire taught us how to dance like puppets."

Form VI Enterprise

At morning break on Thursday, 13th May, Form VI will be selling the products they have created as part of their Maths Enrichment project. We will send out a flyer next week in which the girls will advertise their products, so you can get an idea of what will be on offer. All of the profits from this sale will be donated to Great Ormond Street Hospital.

Form VI - Globe Theatre

On Wednesday, Form VI visited the Globe Theatre. We learnt a lot about the history of the Globe and how it was constructed. Later on, we went downstairs and had a drama session. We learnt about the characters in Shakespeare's plays and how to act out different emotions. It was a great experience and we all enjoyed it very much.
