

QCPS EDUCATIONAL VISITS, WORKSHOPS & OVERSEAS TRIPS

We value the role of educational visits and believe that they enhance children's learning and contribute to their personal development. We make the most of our Central London location, with a wide variety of day visits and workshops organised to enrich, complement and broaden the curriculum. From trips to the theatre and The Globe to Bletchley Park, Wimbledon and the Living Rainforest there are exciting adventures planned for every year group!

UK Residential Trips

UK Residential Trips begin in Form IV to places such as the Isle of Wight and Bawdsey Manor in Suffolk.

Overseas Trips

Every year there are overseas trips for our older girls in Forms V and VI, including a trip to France and the Annual Ski Trip.
