

# Strategic Aims 2023-24

1. Embed a metacognitive thinking culture throughout the curriculum to develop our pupils as independent learners through our use of 'Thinking Crowns'.
2. Support teaching staff to make the best use of one-to-one devices in their lessons; stage one of our [Innovation Three-Year Plan](#).
3. Continue to develop our Outdoor Learning Programme, gain a Gold Eco Schools Award and action further environmental improvement opportunities.
4. Develop the talent programme 'Queen's Colours', recognising pupil talent in specialist subjects from Form I upwards.
5. Continue to create a culture of wellbeing for both staff and pupils via our work culture, pupil expectations, our curriculum, and an established therapies and counselling service.
6. Further develop the new House system to incorporate it across the curriculum while offering more opportunities for competitive endeavours and teamwork.
7. Develop the Pupil Leadership Programme across the school, including more targeted roles for prefects.
8. Continue to develop partnerships and outreach to enhance the QCPS offering, including professional development, and supporting the Parent Charity Committee to improve our outreach provision.
9. Review and enhance our marking and feedback policy, so that feedback is both impactful and manageable for staff.
10. Prepare for a pending inspection under the new framework in 2024-2025.
